

SECTION TWO: Questions 11-30 (20 points)

CLOZE TEXT A

Read the email,

Dear James,

I'm really excited that you are going to visit (11) us in Wales soon. It was lovely to get (12) your e-mail to confirm your stay. However, you haven't sent (13) me your flight details yet. If you tell (14) me the times, I'll come and pick you up at the airport.

Ever since you told me you were coming (15), I have been planning (16) lots of things for us to do while you are here. How about spending (17) a couple of days in the Snowdonia mountains, which is a fantastic area for its beautiful landscapes. If we went (18) there, we could maybe go hiking or cycling.

My dad has had (19) a season ticket for the rugby matches in Cardiff for years and I hope he will get (20) tickets for a big match for us. Also, we have the option of spending a weekend in Bath or London as I have friends who could (21) put us up. Bath has Roman spa baths which were turned (22) into a tourist attraction a long time ago. Would you like to stay (23) in London for a few days? The last time we went there, we really enjoyed ourselves, didn't we (24)? It was wonderful when we saw (25) that show at a big theatre in the West End. It was the first time I had been (26) to one and it was great. We had such a good time it made me remember how much fun we used to have (27) when we were younger.

Don't forget (28) to send me your flight details! I'm sorry, but I really should (29) get back to work now. I will write (30) to you again later.

Lots of love, Jane xx

Choose the correct verb form and write it in the space provided.

11	<input checked="" type="radio"/> a. are going to visit	b. visited	c. visit
